

# DEMOCRATIC & ECONOMIC EMPOWERMENT OF YOUTH

By

Moin M. Fudda

Country Director – CIPE Pakistan

# Role of Youth in Developing Countries

- ❑ Youth is the most useful resource in developing countries, but is suppressed under non democratic regime
- ❑ Economic Development is directly proportional to Youth Development
- ❑ Youth is used in undeveloped countries as a cheap and unproductive / detrimental activities
- ❑ Quality deployment of Youth enhances empowerment and thereby country's Economic Growth

## Contd...

- ❑ There is a growing need of implementing Entrepreneurship culture amongst youth
- ❑ Strong initiatives are required to increase overall literacy rate
- ❑ Public and Private Sector should join hands, to promote democratic system and create opportunities for youth

# Role of Madrasas

- ❑ There is a need to unite education systems of both Madrasas and Conventional Schools
- ❑ Madrasas must have skill development programs for Youth
- ❑ Madrasas should widen the scope of education

# CIPE's Pakistan Initiatives on Youth Development & Empowerment

- ▣ Approval of Youth Policy with active contributions by Stakeholders
- ▣ Bringing young Entrepreneurs on the main stream of Economic & Business activity
- ▣ Liaison between Universities and Trade Bodies

# CIPE's Pakistan Initiatives on Youth Development & Empowerment

- ❑ CIPE Pakistan in partnership with The Citizen Foundation organized a pilot program to train a group of 30+ young boys and girls belonging to the lowest strata of society on entrepreneurship.
